

BabyStars Report – Gift certificate

Would you like to know right now what your child is really like? What they might want to be one day? How they will find school, make friends, what they'll be good at, how they'll be with you and where you may need to show them some guidance? A BabyStars report is an amazingly accurate, beautifully designed astrology "instruction manual" that helps you understand your children better. Don't waste another moment wondering what they'll be like!

Join the hundreds of happy parents who have received a BabyStars report! Below is just some of their genuine feedback.

"We can already see some of the personality traits mentioned and she's not 2 yet."

"It helped me to discover what the kids are really like and what they will be going through in the coming years. The reports were accurate about each of the kids."

"This kind of gift is perfect for newborns as a keepsake, flowers die and clothes they grow out of ...however this is perfect for the parents as well as the child (memories and keepsake) as it lets you know more about your child and its life..it is PRICELESS!"

"Excellent report. Quite amazing it is my little boy to a tee!"

"I found the report fascinating and it made me really think about my child and her personality. I had it done for my baby daughter and I think it is something she'll really appreciate as a keepsake when she's older."

Makes an ideal "instruction manual" for any parent

Don't wonder any more! Your BabyStars report helps you discover how your child relates to you, their siblings and the world around them, where they need your discipline and guidance, and even their sex appeal once they hit puberty.

Discover the facets of your child's character

Explore your child's basic personality (the Sun), emotional temperament (the Moon), learning ability and aptitude at school (Mercury), and how they express their affection, make friends and fall in love (Venus).

Discover what they'll be energetic and angry about, and how they'll chase the opposite sex (Mars)! Find out what's fun for them (Jupiter), and where they may feel shy, insecure or inadequate (Saturn). Uranian aspects can indicate rebels or budding scientists, Neptune-

ruled kids can be musical, artistic or psychic while Pluto aspects can indicate children who are forces to be reckoned with.

You'll receive a BabyStars boxed gift certificate with up to 6 months validity for your recipient to redeem for their own BabyStars report.

They simply follow the step-by-step instructions on the back of the gift certificate and will receive their BabyStars reports via Express Post to the address they nominate within 2-5 days.
